

Committed to Human Health

**BAADER SCHULZ LABORATORIES
PRIVATE LIMITED**

About

Baader Schulz Laboratories Pvt. Ltd. (BSL P.LTD.), Pharma Division is a trusted name in the Human Healthcare Industry. The company's Pharma Division was established in 2004, with a vision towards empowering life and well-being, and has rapidly emerged as a premier integrated pharmaceutical company in India.

Baader Schulz Laboratories Pvt. Ltd is focused in the manufacturing and marketing of pharmaceutical products and serves to clients across the globe; its products and services portfolio include a range of Branded Ethical Formulations.

BSL P.LTD., Pharma Division, is a WHO-GMP compliant facility and can proudly state that it has presence in both Domestic & International market for Pharmaceutical finished formulations. Its activity is divided into three major parts i.e. Manufacturing, Marketing & Contract Manufacturing.

The manufacturing unit is fortified with a proficient team of scientists and managers alike that are specialised in efficient production and excellent delivery of service along with other allied sectors.

The pharmaceutical organisation is among the few companies from India that offers its manufacturing facilities globally and measures up to world's best quality standards.

We specialise in the manufacturing of tailor-made formulations as required by our buyers and possess efficiencies to achieve low costs and high quality medicines.

Today, the company has its own International marketing & Regulatory team catering to the needs of our clients situated across the world and the company prides itself in following a path towards achieving milestones, building trust and succeeding in the industry of Pharmaceuticals.

Mission

Baader Schulz Laboratories Pvt. Ltd.'s aim and mission is to manufacture and distribute products that improve Human well-being and to assist specialists in the industry of human medicine to deliver exemplary care at an affordable cost.

Vision

Our long-term vision is to become the world's most efficient manufacturers of Pharma Healthcare formulations and expand our global footprint into more countries while setting the benchmark for innovation in the Human Healthcare industry.

About Our Manufacturing Plant

Our manufacturing plant in Daman (U.T.), India, is spread over 60,000 sq.ft. and has its own allocated R&D Department along with advanced machineries essential for an excellent production output and our annual growth is approximately 20% .

Our Dosage Forms

This also allows us to expand our portfolio of dosage forms into the following as per the latest WHO-GMP and other crucial regulatory norms.

1. Solid Dosage Forms (Tablets, Hard Gelatin Capsules)
2. Liquid (Liquid Orals)
3. Semi Solid/Topical Preparations (Creams and Ointments)

Our Achieved Certificates
